IMPORTANT NOTICE REGARDING YOUR HEALTH BENEFITS!

Attention all Eligible NOITU Insurance Trust Fund Participants:

GOOD NEWS!

You may recall that a couple of months ago we informed you that Anthem Blue Cross alerted the Insurance Trust Fund that all attempts to settle the expiring contract between Anthem Blue Cross and **Westchester Medical Center Health Network** [*Westchester Medical Center, Mid-Hudson Regional Hospital of Westchester and Bon Secours Charity Health System which includes Bon Secours-Good Samaritan Hospital, Bon Secours-Mercy Community Hospital and Bon-Secours- St. Anthony Hospital*] had failed and that they would no longer “participate” in your Blue Cross Blue Card PPO plan of benefits as of May 31st, 2019.

We are happy to inform you that on July 5th, 2019, an agreement has finally been reached and once again Westchester Medical Center is considered a participating facility within the BlueCross BlueShield Blue Card PPO effective June 1st, 2019.

It is important to remember that using hospitals, facilities and providers that are in our network(s) saves you the most money.

Sincerely,

NOITU Insurance Trust Fund
